

# Query sentiments....

## Introduction

The flashcards are distributed throughout the room. The teacher is asking a question: "How was your weekend?" Each learner gets time to choose her/his card.

1. The learners exchange ideas in pairs.

"**I chose the card because...**". They speak about the flashcard.

"**The painting says something about my weekend, because...**" They speak about a weekend experience.

2. The teacher asks 5 – 10 learners about their choice and their weekend.

## Alternative questions

- How was your day at school? (reflexion at the end of a day)
- How were your holidays?
- What was the most important experience in the class for you today?
